### **Professional Experience**

2007 – present	Illinois Commerce Commission	Pipeline Safety Program Manager	Manage day-to-day operations of program. Supervise 8 reports. Assign and lead as required: compliance related inspection activities, incident investigations, and provide training. General supervision, liaison to pipeline industry, federal government, and other regulatory agencies.
1989 – 2007	Illinois Commerce Commission	Pipeline Safety Analyst	Conduct code compliance audits and inspections of intrastate pipeline operators. Provide code compliance training to new inspectors and pipeline operators. Act a liaison to pipeline industry organizations.
1986-1989	Utility Safety and Design Inc.	Technician	Provide general contract services for pipeline operators including, leak detection, corrosion control, pipeline installation, regulator inspection and line stopping.
1985	Southern Cross Corporation	Technician	Leak detection survey and pinpointing.

### **Educational Background**

Pipeline and Hazardous Materials Safety Administration Training and Qualification courses:

*PHMSA-PL1250 Safety Evaluation of Gas Pipeline Systems Course*  
*PHMSA-PL1255 Gas Pressure Regulation and Overpressure Protection Course*  
*PHMSA-PL1297 Gas Integrity Management (IM) Protocol Course*  
*PHMSA-PL3256 Pipeline Failure Investigation Techniques Course*  
*PHMSA-PL3257 Pipeline Safety Regulation Application and Compliance Procedures Course*  
*PHMSA-PL3290 Operator Qualification (OQ) Seminar*  
*PHMSA-PL3291 Fundamentals of (SCADA) System Technology and Operation Course*  
*PHMSA-PL3292 Safety Evaluation of Inline Inspection (ILI)/Pigging Programs Course*  
*PHMSA-PL3251 Safety Evaluation of Pipeline Corrosion Control Systems I*  
*PHMSA-PL3252 Safety Evaluation of Pipeline Corrosion Control Systems II*  
*PHMSA-PL3295 Pipeline Welding Inspection Course*  
*PHMSA-PL3296 Pipeline Reliability Assessment Course*  
*PHMSA-PL3300 Pipeline Inspector Toolbox Seminar*  
*PHMSA-PL3306 External Corrosion Direct Assessment (ECDA) Field Course*

*PHMSA-PL3600 Root Cause/Incident Investigation Course*  
*PHMSA-PL4253 Liquefied Natural Gas (LNG) Safety Technology and Inspection Course*  
*PHMSA-PL-SP1000 Regulations and Code Compliance State Seminar*  
*PHMSA-PL-WB1103 Risk Assessment for Pipeline Integrity Management Program Webinar*  
*PHMSA-PL-WB1101 Onshore Gas Gathering Issues Webinar*  
*PHMSA-PL 3ECDA External Corrosion Direct Assessment WBT*  
*PHMSA-PL1IPROC Integrity Management Processes WBT*  
*PHMSA-PL3SCCDA Stress Corrosion Cracking Direct Assessment WBT*  
*PHMSA-PL1HCA High Consequence Areas WBT*  
*PHMSA-PL1ICDA Internal Corrosion Direct Assessment WBT*  
*PHMSA-PL3ECDA External Corrosion Direct Assessment WBT*  
*PHMSA-PL3OQ Operator Qualification WBT Course*  
*PHMSA-PL3PIG Fundamentals of Launching and Receiving Maintenance Pigs WBT*  
*PHMSA-PL1310 Plastic and Composite Materials Course*  
*PHMSA-PL1310 Plastic and Composite Materials Course*  
*PHMSA-PL3242 Welding and Welding Inspection of Pipeline Materials Course*  
*PHMSA-PL1RA Introduction to Risk Assessment Methods WBT*

National Association of Corrosion Engineers – *Corrosion Short Course*  
Southern Cross Corporation – *Leak Detection Survey Training*  
Heath and Associates – *Incident Investigation Course*

### **Professional Memberships, Committee and Appointments**

National Association of Pipeline Safety Representatives  
National Association of Regulatory Utility Commissioners – Staff Subcommittee on Pipeline Safety  
Vice Chairman – American Public Gas Association Security and Integrity Foundation  
Chairman – PHMSA/NAPSR Distribution Integrity Management Program Implementation Task Group  
American Gas Association – Service Line Task Group  
PHMSA – Pipeline Informed Planning Alliance
